Set Your Own Pace!

# Scout™ BOSS 4.5 CC/SS

Midi-Drive™ Power Wheelchairs

## *BOSS 4.5 is State-of-the-art and American Made*

**Easiest access** - just step on the footrest for easy access to the seat.

**Supremely comfortable CC**, finger touch reclining admiral seat featuring coil spring cushioning system with contoured, orthopedic seat and back for maximum comfort and long term support. **Heavy duty** steel suspension frame is completely covered for enhanced appearance and comfort. Orthopedic contoured Com-For-Back™ seat and arms are width, depth, height & angle adjustable to fit your needs. SS is available in Com-For-Back™, Admiral & Rehab Cane Seat.

**450 lb.  
capacity**

**Super Indoors** - Patented 3/4 midi drive designed with 24.4" turning radius and narrow 25.4" width provides **great maneuverability** in tight indoor spaces. **Exclusive 450 lb. power seat option** with advanced proportional control in the controller. Low 19" seat to floor height.

**Superior Outdoors** - Inherently **more efficient** and **powerful** with 150 amp modular controller, inline gear drives and high torque (1 & 3/4 HP Total) 4 pole motors for range up to 25 miles.

**Exceptional power** to climb 140 yd long, 9° hill 42 times (not limited to 5 degree inclines) with fast jogging 5 mph speed and **rock solid stability**.

**4 point seat mount** system provides easy battery access with adjustable seat height and angle, position adjustable for **optimal traction**. Footplate is height and angle adjustable with optional 450 lb. capacity ELR's, swing away footrest, rehab cane seat and power seat.

New **state-of-the-art** programmable **modular 150 amp controller** is easy to drive with advanced **dual variable speed**, **speedometer** and proportional **dual auxiliary motor control from the joystick**.

**Boss 4.5** features **heavy duty structural steel frame** and the same motor drive we use on our 650 lb. capacity Boss to give you a chair with **American made, Kansas City Stocked Parts and the Longest Warranties** for which PaceSaver has been famous the last 23 years.

**Removable arms** are width, height, depth and angle adjustable. **Transportability**, separates into 6 pieces for transport.

**Fast charging anywhere**, small, carry-along, worldwide charger with new state-of-the-art battery saver technology for longer battery life.
